4.2 **Right To Assurance.** Whenever one party to the Contract in good faith has reason to question the other party's intent to perform, demand may be made to the other party for written assurance of the intent to perform. In the event that no assurance is given within the time specified after demand is made, the demanding party may treat this failure as an anticipatory repudiation of the Contract.

4.3 **Default.** The Contractor shall be in default under the Contract if the Contractor (a) fails to fully, timely and faithfully perform any of its material obligations under the Contract, (b) fails to provide adequate assurance of performance under the "Right to Assurance paragraph herein, (c) becomes insolvent or seeks relief under the bankruptcy laws of the United States or (d) makes a material misrepresentation in Contractor's Offer, or in any report or deliverable required to be submitted by Contractor to the City.

4.4 **Termination For Cause.** In the event of a default by the Contractor, the City shall have the right to terminate the Contract for cause, by written notice effective ten (10) calendar days, unless otherwise specified, after the date of such notice, unless the Contractor, within such ten (10) day period, cures such default, or provides evidence sufficient to prove to the City's reasonable satisfaction that such default does not, in fact, exist. The City may place Contractor on probation for a specified period of time within which the Contractor must correct any non-compliance issues. Probation shall not normally be for a period of more than nine (9) months, however, it may be for a longer period, not to exceed one (1) year depending on the circumstances. If the City determines the Contractor has failed to perform satisfactorily during the probation period, the City may proceed with suspension. In the event of a default by the Contractor, the City may suspend or debar the Contractor in accordance with the "City of Austin Purchasing Office Probation, Suspension and Debarment Rules for Vendors" and remove the Contractor from the City's vendor list for up to five (5) years and any Offer submitted by the Contractor may be disqualified for up to five (5) years. In addition to any other remedy available under law or in equity, the City shall be entitled to recover all actual damages, costs, losses and expenses, incurred by the City as a result of the Contractor's default, including, without limitation, cost of cover, reasonable attorneys' fees, court costs, and prejudgment and post-judgment interest at the maximum lawful rate. All rights and remedies under the Contract are cumulative and are not exclusive of any other right or remedy provided by law.

4.5 **Termination Without Cause.** The City shall have the right to terminate the Contract, in whole or in part, without cause any time upon thirty (30) calendar days prior written notice. Upon receipt of a notice of termination, the Contractor shall promptly cease all further work pursuant to the Contract, with such exceptions, if any, specified in the notice of termination. The City shall pay the Contractor, to the extent of funds Appropriated or otherwise legally available for such purposes, for all goods delivered and services performed and obligations incurred prior to the date of termination in accordance with the terms hereof.

4.6 **Fraud.** Fraudulent statements by the Contractor on any Offer or in any report or deliverable required to be submitted by the Contractor to the City shall be grounds for the termination of the Contract for cause by the City and may result in legal action.

## SECTION 5. OTHER DELIVERABLES

### 5.1 **Equal Opportunity.**

5.2.1 **Equal Employment Opportunity.** No Contractor, or Contractor's agent, shall engage in any discriminatory employment practice as defined in Chapter 5-4 of the City Code. No Offer submitted to the City shall be considered, nor any Purchase Order issued, or any Contract awarded by the City unless the Offeror has executed and filed with the City Purchasing Office a current Non-Discrimination Certification. Non-compliance with Chapter 5-4 of the City Code may result in sanctions, including termination of the contract and the Contractor's suspension or debarment from participation on future City contracts until deemed compliant with Chapter 5-4.

5.1.2 **Americans With Disabilities Act (ADA) Compliance.** No Contractor, or Contractor's agent, shall engage in any discriminatory practice against individuals with disabilities as defined in the ADA, including but not limited to: employment, accessibility to goods and services, reasonable accommodations, and effective communications.

5.2 **Acceptance of Incomplete or Non-Conforming Deliverables.** If, instead of requiring immediate correction or removal and replacement of defective or non-conforming deliverables, the City prefers to accept it, the City may do so. The Contractor shall pay all claims, costs, losses and damages attributable to the City's evaluation of and determination to accept such defective or non-conforming deliverables. If any such acceptance occurs prior to final payment, the City may deduct such amounts as are necessary to compensate the City for the diminished value of the defective or non-conforming deliverables. If the acceptance occurs after final payment, such amount will be refunded to the City by the Contractor.

### 5.3 **Delays.**

5.4.1 The City may delay scheduled delivery or other due dates by written notice to the Contractor if the City deems it is in its best interest. If such delay causes an increase in the cost of the work under the Contract, the City and the Contractor shall negotiate an equitable adjustment for costs incurred by the Contractor in the Contract price and execute an amendment to the Contract. The Contractor must assert its right to an adjustment within thirty (30) calendar days from the date of receipt of the notice of delay. Failure to agree on

any adjusted price shall be handled under the Dispute Resolution process specified herein. However, nothing in this provision shall excuse the Contractor from delaying the delivery as notified.

5.3.2 Neither party shall be liable for any default or delay in the performance of its obligations under this Contract if, while and to the extent such default or delay is caused by acts of God, fire, riots, civil commotion, labor disruptions, sabotage, sovereign conduct, or any other cause beyond the reasonable control of such Party. In the event of default or delay in Contract performance due to any of the foregoing causes, then the time for completion of the services will be extended; provided, however, in such an event, a conference will be held within three (3) business days to establish a mutually agreeable period of time reasonably necessary to overcome the effect of such failure to perform.

## SECTION 6. WARRANTIES

### 6.1 Warranty – Price.

6.1.1 The Contractor warrants the prices quoted in the Offer are no higher than the Contractor's current prices on orders by others for like deliverables under similar terms of purchase.

6.1.2 The Contractor certifies that the prices in the Offer have been arrived at independently without consultation, communication, or agreement for the purpose of restricting competition, as to any matter relating to such fees with any other firm or with any competitor.

6.1.3 In addition to any other remedy available, the City may deduct from any amounts owed to the Contractor, or otherwise recover, any amounts paid for items in excess of the Contractor's current prices on orders by others for like deliverables under similar terms of purchase.

6.2 Warranty – Services. The Contractor warrants and represents that all services to be provided to the City under the Contract will be fully and timely performed in a good and workmanlike manner in accordance with generally accepted industry standards and practices, the terms, conditions, and covenants of the Contract, and all applicable Federal, State and local laws, rules or regulations.

6.2.1 The Contractor may not limit, exclude or disclaim the foregoing warranty or any warranty implied by law, and any attempt to do so shall be without force or effect.

6.2.2 Unless otherwise specified in the Contract, the warranty period shall be at least one year from the acceptance date. If during the warranty period, one or more of the warranties are breached, the Contractor shall promptly upon receipt of demand perform the services again in accordance with above standard at no additional cost to the City. All costs incidental to such additional performance shall be borne by the Contractor. The City shall endeavor to give the Contractor written notice of the breach of warranty within thirty (30) calendar days of discovery of the breach of warranty, but failure to give timely notice shall not impair the City's rights under this section.

6.2.3 If the Contractor is unable or unwilling to perform its services in accordance with the above standard as required by the City, then in addition to any other available remedy, the City may reduce the amount of services it may be required to purchase under the Contract from the Contractor, and purchase conforming services from other sources. In such event, the Contractor shall pay to the City upon demand the increased cost, if any, incurred by the City to procure such services from another source.

## SECTION 7. MISCELLANEOUS

All notifications shall be submitted in writing to the Contract Manager. NOTHING HEREIN SHALL BE DEEMED TO LIMIT THE RIGHTS OF THE CITY OR THE CONTRACTOR (INCLUDING, BUT NOT LIMITED TO, THE RIGHT TO SEEK CONTRIBUTION) AGAINST ANY THIRD PARTY WHO MAY BE LIABLE FOR AN INDEMNIFIED CLAIM.**

**7.5 Claims.** If any claim, demand, suit, or other action is asserted against the Contractor which arises under or concerns the Contract, or which could have a material adverse affect on the Contractor's ability to perform thereunder, the Contractor shall give written notice thereof to the City within ten (10) calendar days after receipt of notice by the Contractor. Such notice to the City shall state the date of notification of any such claim, demand, suit, or other action; the names and addresses of the claimant(s); the basis thereof; and the name of each person against whom such claim is being asserted. Contractor acknowledges and agrees that the Confidential Information is the valuable property of the City and/or its licensors and any unauthorized use, disclosure, dissemination, or other release of the Confidential Information will substantially injure the City and/or its licensors. The Contractor (including its employees, subcontractors, agents, or representatives) agrees that it will maintain the Confidential Information in strict confidence and shall not disclose, disseminate, copy, divulge, recreate, or otherwise use the Confidential Information without the prior written consent of the City or in a manner not expressly permitted under this Contract, unless the Confidential Information is required to be disclosed by law or an order of any court or other governmental authority with proper jurisdiction, provided the Contractor promptly notifies the City before disclosing such information so as to permit the City reasonable time to seek an appropriate protective order. The Contractor agrees to use protective measures no less stringent than the Contractor uses within its own business to protect its own most valuable information, which protective measures shall under all circumstances be at least reasonable measures to ensure the continued confidentiality of the Confidential Information.

**7.8 Advertising.** The Contractor shall not advertise or publish, without the City's prior consent, the fact that the City has entered into the Contract, except to the extent required by law.

7.9 **No Contingent Fees.** The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure the Contract upon any agreement or understanding for commission, percentage, brokerage, or contingent fee, excepting bona fide employees of bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the City shall have the right, in addition to any other remedy available, to cancel the Contract without liability and to deduct from any amounts owed to the Contractor, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.

7.10 **Gratuities.** The City may, by written notice to the Contractor, cancel the Contract without liability if it is determined by the City that gratuities were offered or given by the Contractor or any agent or representative of the Contractor to any officer or employee of the City with a view toward securing the Contract or securing favorable treatment with respect to the awarding or amending or the making of any determinations with respect to the performing of such contract. In the event the Contract is canceled by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by the Contractor in providing such gratuities.

7.11 **Prohibition Against Personal Interest in Contracts.** No officer, employee, independent consultant, or elected official of the City who is involved in the development, evaluation, or decision-making process of the performance of any solicitation shall have a financial interest, direct or indirect, in the Contract resulting from that solicitation. Any willful violation of this section shall constitute impropriety in office, and any officer or employee guilty thereof shall be subject to disciplinary action up to and including dismissal. Any violation of this provision, with the knowledge, expressed or implied, of the Contractor shall render the Contract voidable by the City.

7.12 **Independent Contractor.** The Contract shall not be construed as creating an employer/employee relationship, a partnership, or a joint venture. The Contractor's services shall be those of an independent contractor. The Contractor agrees and understands that the Contract does not grant any rights or privileges established for employees of the City.

7.13 **Assignment-Delegation.** The Contract shall be binding upon and enure to the benefit of the City and the Contractor and their respective successors and assigns, provided however, that no right or interest in the Contract shall be assigned and no obligation shall be delegated by the Contractor without the prior written consent of the City. Any attempted assignment or delegation by the Contractor shall be void unless made in conformity with this paragraph. The Contract is not intended to confer rights or benefits on any person, firm or entity not a party hereto; it being the intention of the parties that there be no third party beneficiaries to the Contract.

7.14 **Waiver.** No claim or right arising out of a breach of the Contract can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party. No waiver by either the Contractor or the City of any one or more events of default by the other party shall operate as, or be construed to be, a permanent waiver of any rights or obligations under the Contract, or an express or implied acceptance of any other existing or future default or defaults, whether of a similar or different character.

7.15 **Modifications.** The Contract can be modified or amended only in writing signed by both parties. No printed or similar terms on any Contractor invoice, order or other document shall have any force or effect to change the terms, covenants, and conditions of the Contract.

7.16 **Interpretation.** The Contract is intended by the parties as a final, complete and exclusive statement of the terms of their agreement. No course of prior dealing between the parties or course of performance or usage of the trade shall be relevant to supplement or explain any term used in the Contract. Although the Contract may have been substantially drafted by one party, it is the intent of the parties that all provisions be construed in a manner to be fair to both parties, reading no provisions more strictly against one party or the other. Whenever a term defined by the Uniform Commercial Code, as enacted by the State of Texas, is used in the Contract, the UCC definition shall control, unless otherwise defined in the Contract.

7.17 **Dispute Resolution.**

7.17.1 If a dispute arises out of or relates to the Contract, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. However, this section does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive relief. Either party may make a written request for a meeting between representatives of each party within fourteen (14) calendar days after receipt of the

request or such later period as agreed by the parties. Each party shall include, at a minimum, one (1) senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within thirty (30) calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will proceed directly to mediation as described below. Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below.

7.17.2 If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within thirty (30) calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option, the City and the Contractor agree to act in good faith in the selection of the mediator and to give consideration to qualified individuals nominated to act as mediator. Nothing in the Contract prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or a contract interpretation expert. If the parties fail to agree on a mediator within thirty (30) calendar days of initiation of the mediation process, the mediator shall be selected by the Travis County Dispute Resolution Center (DRC). The parties agree to participate in mediation in good faith for up to thirty (30) calendar days from the date of the first mediation session. The City and the Contractor will share the mediator's fees equally and the parties will bear their own costs of participation such as fees for any consultants or attorneys they may utilize to represent them or otherwise assist them in the mediation.

7.18 **Minority And Women Owned Business Enterprise (MBE/WBE) Procurement Program.**

7.18.1 All City procurements are subject to the City's Minority-Owned and Women-Owned Business Enterprise Procurement Program found at Chapters 2-9A, 2-9B, 2-9C and 2-9D of the City Code. The Program provides Minority-Owned and Women-Owned Business Enterprises (MBEs/WBEs) full opportunity to participate in all City contracts.

READ THE TERMS AND CONDITIONS OF THIS AGREEMENT CAREFULLY BEFORE DOWNLOADING WAYNE ENTERPRISES' "REVOLUTION™" PROPRIETARY SOFTWARE (the "Software") OR OBTAINING A LICENSE KEY TO THE SOFTWARE OR USING THE SOFTWARE.

THE SOFTWARE IS COPYRIGHTED AND IT IS LICENSED TO YOU UNDER THIS AGREEMENT, NOT SOLD TO YOU. BY DOWNLOADING THE SOFTWARE OR OBTAINING A LICENSE KEY TO THE SOFTWARE OR USING THE SOFTWARE, YOU ACKNOWLEDGE THAT YOU HAVE READ THIS AGREEMENT, THAT YOU UNDERSTAND IT, AND THAT YOU ACCEPT AND AGREE TO BE BOUND BY ITS TERMS. IF YOU ARE NOT WILLING TO BE BOUND BY THE TERMS OF THIS AGREEMENT, YOU SHOULD REFRAIN FROM ACCESSING OR USING THE SOFTWARE. THIS AGREEMENT REPRESENTS THE ENTIRE AGREEMENT BETWEEN YOU AND WAYNE ENTERPRISES INCORPORATED CONCERNING THE SOFTWARE, AND THIS AGREEMENT SUPERSEDES AND REPLACES ANY PRIOR PROPOSAL, REPRESENTATION, OR UNDERSTANDING YOU MAY HAVE HAD WITH CONCERNING RELATING TO THE SOFTWARE.

**1. License**

**1.1. Grant of License.** Wayne Enterprises Inc. hereby grants to you, and you accept, a limited, nonexclusive license to use the Software in machine-readable, object code form only, and the user manuals accompanying the Software (the "Documentation"), only as authorized in this Agreement. For purposes of this Agreement, the "Software" includes any updates, enhancements, modifications, revisions, or additions to the Software made by Wayne Enterprises Inc. Notwithstanding the foregoing, Wayne Enterprises Inc.

**1.2. Scope of Use.** You may use one copy of the Software per license key (i) on a single server (virtual or physical) owned, leased, or otherwise controlled by you, at a single time, and (ii) only on the type of data base server licensed by you. If you have multiple license keys for the Software, you may make and use as many copies of the Software as you have license keys. For purposes of this Agreement, "use" of the software means loading the Software into the temporary or permanent memory of a computer. Installation of the Software on a network server solely for distribution to other computers is not "use" of the Software, and is permitted, as long as you have a license key for each server (virtual or physical) to which the Software is distributed and for each data base server being accessed by the Software. The Software may not be used on or distributed to a greater number of computers than you have license keys.

**1.3. Operating Environments.** You acknowledge that Wayne Enterprises Inc. licenses the Software for use with (1) operating environments (web browsers, cloud services, servers, peripherals, database management systems and operating systems) supported by Wayne Enterprises Inc., or (2) operating environments compatible with those supported by Wayne Enterprises Inc. Wayne Enterprises Inc. makes NO representation as to what environments are compatible with supported operating environments.

**1.4. Copies and Modifications.** You may not reverse engineer, decompile, disassemble, or otherwise translate the Software or any license keys you have obtained. You may not modify or adapt the Software or any license keys that you have obtained in any way. You may make one copy of the Software, the Documentation, and any license keys that you have obtained, solely for backup or archival purposes. Any such copies of the Software, Documentation, or license keys shall include any copyright or other proprietary notices that were included on such materials when you first received them. Except as authorized in this Section, no copies of the Software, Documentation, or license keys, or any portions thereof, may be made by you or any person under your authority or control without permission from Wayne Enterprises Inc.

**1.5. Assignment of Rights.** You may not sublicense, lease, rent, or lend your rights in the Software, Documentation, or license keys, as granted by this Agreement, with any third party without prior written consent of Wayne Enterprises Inc.

**2. Intellectual Property and Confidentiality**

**LICENSE AGREEMENT**

**2.1. Use Reporting, License Violations and Remedies.** Wayne Enterprises Inc. reserves the right to gather data on key usage including license key numbers, server IP addresses, domain counts and other information deemed relevant, to ensure that our products are being used in accordance with the terms of this Agreement. Wayne Enterprises Inc. expressly prohibits simultaneous, multiple installations of our licensed products and domain count overrides without prior written approval. Any unauthorized use shall be considered by Wayne Enterprises Inc. to be a violation of this Agreement. You agree not to block, electronically or otherwise, the transmission of data required for compliance with this agreement. Any blocking of data required for compliance under this agreement is considered to be violation of this Agreement and will result in immediate termination of this Agreement pursuant to Section 4.

**2.2. License Automatic Update and Expiration.** Your license may include an expiration date that can result in the termination of the license. For permanent (non-lease) license keys, the license updates automatically except if Wayne Enterprises Inc. determines that a license is used in violation of the terms of this Agreement. If your license key is stolen, or if you suspect any improper or illegal usage of your license outside of your control you should promptly notify Wayne Enterprises Inc. of such occurrence. A replacement license will be issued to you and the suspect license will be allowed to expire. For lease licenses, your monthly payment for each month must be processed prior to the expiration date in order for the license updates to be performed. For your convenience, Wayne Enterprises Inc. provides license expiration warnings in the product interface should there be any issues that would cause the product license to expire. It is your responsibility to contact regarding any potential expiration that you deem inappropriate. Wayne Enterprises Inc. is not liable for any damages or costs incurred in connection with the expiring licenses.

**2.3. Proprietary Rights to Software and Trademarks.** You acknowledge that the Software and the Documentation are proprietary to Wayne Enterprises Inc., and the Software and Documentation are protected under United States copyright law and international treaties. You further acknowledge and agree that, as between you and Wayne Enterprises Inc., Wayne Enterprises Inc. owns and shall continue to own all right, title, and interest in and to the Software and Documentation, including associated intellectual property rights under copyright, trade secret, patent, or trademark laws. This Agreement does not grant you any ownership interest in or to the Software or the Documentation, but only a limited right of use that is revocable in accordance with the terms of this Agreement. Any and all trademarks or service marks that Wayne Enterprises Inc. uses in connection with the Software or with services rendered by Wayne Enterprises Inc. are marks owned by Wayne Enterprises Inc.. This Agreement does not grant you any right, license, or interest in such marks, and you shall not assert any right, license, or interest in such marks or any words or designs that are confusingly similar to such marks.

To whom this may concern:

This letter is to confirm that Wayne Enterprises Inc. is the sole creator, provider and servicer of the Revolution Events Management software and hardware solution. All copyrights to the software are owned by Wayne Enterprises Inc. and we are the only distributor to any licensee.

We have made many custom changes to our solution for the Austin Police Department which include adding the skill require and officer type to every position working the event, adding a numeration field for every position on an event, adding a Task code, adding Origination code, adding Activity code, adding the ability to copy an event to create another, adding mobile pages and access from any mobile device, adding a Primary and Secondary post to every position on an event, creating a non-permanent list of employees that sign up for events until they are permanently placed into the event, creating an upload interface with the City's employee download file, adding the skills and ranks of all employees to the personnel file, and adding statistical reports.

If you have any questions, please call me at 209-887-2008.

Sincerely,
